### **Military Service**

- **United States Air Force: Rank, Staff Sergeant. Honorably discharged. Feb. 1986 – Feb. 1991.**

### **Business Experience**

- **New England Commercial Brokerage, Inc.:** While being a bi-vocational pastor and working through seminary New England Commercial Brokerage, Inc. was started and has been in business since July 2004 in Connecticut. The company now operates in eight States including Florida. While in business what is always top of mind and the priority is the glorify God in all things.

### **Ministry Experience**

- **Christian School Teacher – Heritage Christian Academy - Wallingford, CT 1994-1996.** I taught 5th and 6th grades, 27 students, Math, English, History & Bible. The school was open enrollment. This ministry was reaching out to and ministering to people on many levels. This ministry experience demonstrated, “always abounding in the work of the Lord.” While at Heritage Baptist Church I was blessed to be able to lead 297 souls to Christ and baptize 53 souls.
- **Pastor of Constitution Baptist Church Plant, Danvers, Massachusetts 1996-2000** God opened a door of opportunity to minister to the people in the town of the famous witch trials. While planting this church one could not help but think that they were walking through history. While pastoring there we saw many blessings, including 203 souls led to Christ and many baptized. We had a good core group of people and had a high attendance of ninety-three people. We did door-to-door outreach; and phone banking; and put our services on five local public access stations. Our best response was our Spirit of Christmas services with 87 souls in attendance.

- **Speaking in churches, on Christian radio and TV across America 2000-2001** While pastoring in Danvers, this pastor gained valuable experience to share with local Baptist churches and Christian media outlets across America. This pastor's life was a testimony of God's favor and grace.
- **Pastor of Constitution Baptist Church Plant, South Windsor, Connecticut 2008-2011** After several years in seminary another church plant was planted in South Windsor, CT. This pastor began with no one and grew to about twenty-five people with high days of fifty people in attendance. The first year a local builder gave our church free use of a building. Because of the signage on the highway, we were able to offer significant space to a Christian radio station in exchange for weekly airtime to preach the gospel on-air every week. We also had an outreach to those required to do community service. Almost everyone who did community service at the church came to faith in Christ. Our church taught young people music lessons. We then held recitals and presented the gospel. Several young people were baptized. A couple of memorial services were conducted, resulting in further ministry to other families.
- **President – Centurion Education Foundation (2014 – Present)** The vision for Centurion Education Foundation began while in seminary. This non-profit seeks to raise endowments for world missions and to train men for the ministry. [www.CEF.igives](http://www.CEF.igives)
- **Director and Bible Teacher – Institute for Biblical Apologetics (2020 – Present)** The purpose of the Institute for Biblical Apologetics is to help Christians to develop their Christian worldview and more effectively communicate the gospel and other truth claims of the Bible. Lectures on biblical apologetics are available on the site or in local churches. The five books are available, three of which deal with many aspects of presuppositional apologetics. [www.ApologeticsNow.org](http://www.ApologeticsNow.org)
- **Curriculum Consultant—2021 to present:** Helping to develop graduate and postgraduate programs for local churches and independent Baptist seminaries.

- **Church Planting** efforts ongoing in Suffield, CT and New Smyrna Beach, FL., along with developing books, courses and promoting the Institute for Biblical Apologetics: 2023-2026.
